Happy Narwhalidays

The 5th hilarious and fabulously festive Christmas adventure from everyone's favourite characters - Narwhal and Jelly!
It's Christmas in the world wide waters! Narwhal is spreading his trademark good cheer and warm waffles, but also news of the amazing Merry Mermicorn, part mermaid, part unicorn. Jelly isn't feeling the festive spirit - or excitement about the mermicorn - quite as much until he receives a mysterious present -
But who is it from?
A wonderfully silly early graphic novel series featuring three short stories and a super fun ocean fact page - and joke page too!
The perfect first book for young readers, just moving on from picture books, discovering the joys of friendship, working together and the power of imagination.
