World Of Mammals

A stunning photographic celebration of the planet's mammals, from aardvarks to zebras.

Covering everything from elephants to elephant shrews to elephant seals, and from mouse-deer to deermice, World of Mammals is a photographic celebration of the diversity of the planet's furry critters.

The 250 photographs illustrate nearly 250 species in 50 orders and 120 families across all continents, and show amazing close-ups, action shots and images of the subjects in their natural habitat.
