Boy Who Lost His Spark The

When Jem and his family first move to a small town, he struggles with his new life. The unhappier he grows, the stranger things become mischief and chaos seems to bloom everywhere. His sister Verity is sure it is the work of a ?nouka?, an ancient creature that lives deep down inside the hill; a creature forged from the sparks of a long-extinct volcano. Jem is adamant - there is no such thing. But it is through the magic and mayhem of this small mystical creature that Jem finally finds a sense of belonging, a sense of home. He, once more, discovers a spark of magic.
