Bat The

Harry is out of his depth.
Detective Harry Hole is meant to keep out of trouble. A young Norwegian girl taking a gap year in Sydney has been murdered, and
Harry has been sent to Australia to assist in any way he can. He's not supposed to get too involved.
When the team unearths a string of unsolved murders and disappearances, nothing will stop Harry from finding out the truth. The hunt for a serial killer is on, but the murderer will
talk only to Harry.
He might be the next victim.
