

Navigators Dinosaurs

by BURNIE, DAVID

Navigators Dinosaurs

With jaw-dropping 3D artwork for maximum impact, Navigators takes you on a thrilling adventure through the latest, the strangest, the most incredible information. This is the ultimate visual guide to dinosaurs, from fierce predators to exotic dino-birds - how they evolved, how they lived and how they died. Step back in time and unearth some of the most awesome specimens yet to be discovered - and see how dinosaur hunters piece their lives together. Internet links guide you to the best dinosaur related information on the web.
