

First Response

by LEATHER, STEPHEN

First Response

London is under siege. Nine men in suicide vests primed to explode hold hostages in nine different locations around the city, and are ready to die for their cause. Their mission: to force the government to release jihadist prisoners from Belmarsh

Prison. But the bombers are cleanskins, terrorists with no obvious link to any group, and who do not appear on any anti-terror watch list. What has brought them together on this one day to act in this way? Mo Kamran of the Special Crime and Operations branch is tasked with preventing the biggest terrorist

outrage the capital has ever known. But nothing is what it seems.
