Night Strike

Former SAS hero John Bald is a man at war with himself and fighting a losing battle with the bottle. But then he is reluctantly thrust back into battle. In the race to develop ever more powerful weapons, technology has become the new frontline in global terrorism. And when one of America's most cutting-edge defence contractors suspects a sleeper cell operating in its midst, the Firm reaches out to its most cold-blooded son. Bald's mission: kill the sleeper before they can smuggle top-secret weaponry into the hands of the West's deadliest enemies. But the mission goes sideways, and Bald is the fall guy. Now he must pursue the sleeper from the ghettos of Florida to the war-torn streets of Tripoli, in a relentless hunt for the technology and the truth.
