Sword Of David The Israeli Air Force At War

Founded in 1948, the Israeli Air Force has seen involvement in some of the most dramatic and important conflicts of post-War history. In action during the Suez crisis and on call during the Gulf War, the Force continued to see active deployment right through to the 2006 Lebanon War and beyond into recent conflicts in Gaza. This is a timely release therefore, setting recent events in historical context, and illustrating these key operations with a range of impressive colour photographs, many of which have never been published before.
