Identical

Two families entangled in a long and complex history of love and deceit. Twenty five years ago, after a society picnic held by businessman and politician Zeus Kronon, Zeus' headstrong daughter

Dita was found murdered. Her boyfriend, Cass Gianis, confessed to the crime. Now Cass has been released from prison into the care of his twin, Mayoral candidate Paul Gianis, who is in the middle of a high profile political campaign. But Dita's brother Hal is convinced there is information surrounding his sister's death that remains buried - and he won't rest until he's discovered the truth. Hal's employee, former FBI Special Agent Evon Miller, teams up with Tim Brodie, a retired police officer, to investigate. After all this time, can they find evidence to place Paul Gianis, the innocent twin, at the scene of the crime?
