See Delphi And Die

With safe seas, good roads, and provinces rich in heritage sites, Marcus Didius Falco's fellow countrymen have become voracious tourists. Greece, home of the ancient Olympic Games, is a favourite destination for Seven Sights Travel, a seedy company which provides escorted tours for wealthy travellers. Falco and Helena hear that a young girl and a newly-wed woman, both Roman visitors, have been murdered at Olympia; the authorities will not investigate properly, so Falco steps in. After making himself unwelcome at the hidebound sanctuary, he soon finds himself up against Seven Sights, its absentee tour guide and its mixed bunch of customers, some of whom have things to hide.
