

# Home Modernised The

by WEAVING, ANDREW

The Home Modernised

Whether you have a country cottage, a terraced town house, a local authority flat, a loft or a brand new build apartment, The Home Modernised will help you understand what you have and work out what you want - from simply updating the features in your home to embarking upon more extensive projects that achieve more fundamental space. As an indispensable resource book, it shows how putting many elements together with a sense of balance can create a modern harmony.
