

## Dark Forces

by LEATHER, STEPHEN

Dark Forces

When you're caught between two evils, only the most decisive will survive. The thirteenth book in action supremo Stephen Leather's Spider Shepherd series is his most pulse-pounding yet. A violent South London gang will be destroyed if Dan 'Spider' Shepherd can gather enough evidence against them while posing as a ruthless hitman. What he doesn't know is that his work as an undercover agent for MI5 is about to intersect with the biggest terrorist operation ever carried out on British soil. Only weeks before Shepherd witnessed a highly skilled IS sniper escape from a targeted missile strike in Syria. The clock is ticking and only he stands between us and Armageddon.
