

Private Places

by WILSON, JUDITH

Private Places

Much has been written on how and where to relax, but more crucial is the creation of private oases within the homes we already have. How can we exploit the potential of hidden spaces in the tiniest of homes? And how can we find a quiet corner for solitary use in a busy, open plan living space? With evocative pictures and practical advice, Private Places provides creative answers to such questions.

Price: \$9.99 (Top Price is \$46.95)
