

George

by SMITH, SEAN

George

Georgios Panayiotou was just eighteen when he decided to adopt the stage name of George Michael. Bestselling biographer Sean Smith has gone back to the neighbourhoods of North London to trace the astonishing journey of a sensitive but determined boy who grew up to be one of the biggest British pop stars of all time. Affectionate yet honest and moving, George is both a celebration of George Michael's music and a lasting tribute to a decent and much-loved man.
