

New Thai Style

by Freeman, Michael; INGLIS, KIM

New Thai Style

Thai Style is renowned throughout the world for its grace, form and colours, reflecting wider national culture. Whether pavilion-style architecture, elegant interior designs, innovative use of textiles and materials, today's Thai Style combines cultural traditions with skilled craftsmanship and modern interpretations. These design forms have evolved into a 21st century paragon of design practice that is universally admired. Contemporary Thai Style - one that merges ancient practices with modern fashions, graphics and technologies is what this book seeks to showcase.
