

## Australian Bushrangers

by SCOTT, BILL

Australian Bushrangers

Australians have always had a soft spot for the daring bushrangers of last century with their contempt for organised Authority. This book looks at the most notorious of Australia's bushrangers - men who were fugitives from the law, who robbed, stole stock and sometimes killed. Australian Bushrangers describes the exploits of well-remembered characters such as Ben Hall, Captain Moonlight and Ned Kelly, as well as less well-known, but equally daring, bushrangers such as Mad Dan Morgan, William Westwood (Jacky-Jacky) and the Clarke Gang. Also available: Australian Explorers, Australia's Gold Rushes.
