

Dilbert And The Way Of The Weasel

by ADAMS, SCOTT

Dilbert And The Way Of The Weasel

Following in the footsteps of The Dilbert Principle, the latest business book from the master of office angst. In this new mass-market format, Sunday Times best-selling author Scott Adams presents an outrageous look at work, home, and everyday life in. Building on Dilbert's theory that "All people are idiots," Adams now says, "they are also weasels." Just ask anyone who worked at Enron. In this book, Adams takes a look into the Weasel Zone, the giant grey area between good moral behaviour and outright criminality.

In the Weasel Zone, where most people reside, everything is misleading but not exactly a lie. Building on his hugely popular comic strip, Adams looks into work, home, and everyday life and exposes the weasel in everyone.
