by BOWLES, ANNA

Pixelcraft Superheroes

PixelCraft is a new range of sticker activity books that allow kids to build an 8-bit world with endless creative possibilities. Each book includes a card stencil sheet of characters, animals and objects, and more than 3000 colour brick stickers. Copy and build pixel images with stickers, colour in cube-y people and use the stencils to fill in scenes. Plus, there are blank gridded pages for readers to build their own works of Pixelcraft. Build a gang of block-rockin' superheroes in 'PixelCraft Superheroes' and see if you can make it from Level 1: Basic Builder to Level 5: Pixel Pro. Build the blocky Rocko who loves to smash, pixel Dr. Terror the mad scientist and colour in the squares to create the mysterious Wowgirl, then put all the superheroes to the test on the freeplay pages.
