Racing In The Rain

In this paperback young readers' edition of the New York Times bestselling adult novel *The Art of Racing in the Rain*, with cover art from the movie, meet one funny mutt-Enzo, the lovable dog who tells this story. This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. Enzo knows he is different from other dogs. Most dogs love to chase cars, but Enzo longs to race them. He learns about racing and the world around him by watching TV and by listening to the words of his best friend, Denny, an up-and-coming race car driver, and Denny's daughter, Zoe, his constant companion. Enzo finds that life is just like being on the racetrack-it isn't simply about going fast.
