by MURRAY, EMILY

Pink House Living

Pink House Living is a beautiful, practical guide to decorating with pink by Emily Murray of the award-winning The Pink House blog. Emily draws on her recent interiors projects to guide the reader through their own rose-tinted renovations and includes case studies on well-known interiors experts that reveal their use of pink, their go-to paint shades and where they glean 'pinkspiration'.

Pink House Living is not about decorating your home in pink from rooftop to rugs, but a look at how the colour can be used alongside other hues sometimes sparingly, sometimes in spades. Divided up by room, the book uses the colour pink and its history as a starting point from which to discuss the decorating process.
