Spirit Warrior 50 Oracle Cards

This Oracle Deck is an invitation to wonder - about yourself and your place in the Universe - and to regain your innate power. The 50 cards collated here are signposts, helping you to navigate through your soul journey. They reflect a range of spiritual ideas, drawn from ancient cultures, and encompass the wisdom of spirit warriors who have travelled before. Whether it's a crystal, spirit animal, Buddhist symbol, medicinal herb, or soul ritual, the card you pick is before you for a reason. Be open to its lesson, and you'll discover ways to be closer to Spirit, which will enrich your life. This is your journey. When you are brave enough to believe, mindful enough to see and strong enough to act, you will grow wings to soar and set your spirit free.
