Spiralscopes World Landmarks

Take creativity to a whole new level with Hinkler's Spiralscopes series. This truly unique format is the next evolution in mindfulness and colouring for adults. Spiralscopes provides a super-simple but wonderfully fun way to create amazing artwork. What may look like a mere spiral on the page becomes an amazingly detailed image once the spiral is coloured in with a marker pen. Adoptees of this innovative new pastime will be amazed as an impressive array of world-renowned landmarks emerge from each spiral. Spiralscopes is Hinkler's new format to watch, with its truly unparalleled approach to the adult colouring trend! Also Available - Spiralscopes Amazing Animals
