Forgive No More

No more running, no more hiding - it's time to fight back. The Blake family can only live in security if the truth about the conspiracy threatening their lives is brought into the full light of day. As the stakes are raised higher than ever before, James must return to Italy to confront those seeking to destroy those he loves. Forces from around the world, from Washington to Munich, London to Tijuana, are ranged against him. As the mystery begins to unravel, a shattering revelation emerges. Dark secrets have survived down the centuries and are in the hands of those who threaten not only him, but the entire world.
