School Zone Sight Word Fun

This School Zone Sight Word Fun workbook contains simple, fun activities that will help 6-8 year olds understand the meaning of sight words and recognise differences in spelling. Sight words are not phonetic, which makes them more difficult to learn. The workbook offers plenty of ways to help children memorise sight words and fun activities to help them progress. Vital sight word skills in this book include: word recognition, categorisation, inference, writing practice, differentiation and more.
