Who is the real Madonna? At the age of sixty, she is still one of the richest and most successful pop stars in the world. Her provocative behaviour continues to generate headlines yet she remains an enigma. Until now.

In Madonna, J. Randy Taraborrelli has crafted a brilliant biography full of vivid detail, insight and humour. From the driven, ambitious young woman struggling to get a break in New York to the outrageous pop diva and more spiritual mother, the changing faces of Madonna are revealed.

Madonna is based on decades of research and exclusive interviews with people speaking of her publicly for the first time including friends, business associates and family members.
