

The Antisocial Network

by MEZRICH, BEN

The Antisocial Network

This is definitive take on the wildest story of the year the David-vs.-Goliath GameStop short squeeze, a tale of fortunes won and lost overnight that may end up changing Wall Street forever.

Bestselling author Ben Mezrich offers a gripping, beat-by-beat account of how a loosely affiliate group of private investors and internet trolls took down one of the biggest hedge funds on Wall

Street, firing the first shot in a revolution that threatens to upend the financial establishment.

In thrilling, pulse-pounding prose, THE ANTISOCIAL NETWORK offers

a fascinating, never-before-seen glimpse at the outsize personalities, dizzying swings, corporate drama, and underestimated American heroes and heroines who captivated the world during one of the most volatile weeks in financial history.

It's the amazing story of what just happened and where we go from here.
