

Angels Of The Pacific

by HOOPER, ELISE

Angels Of The Pacific

Their survival would depend on sisterhood and service. Inspired by the extraordinary true stories of World War II's American Army nurses famously known as the Angels of Bataan and the unsung contributions of Filipinas of the resistance, this novel transports us to a remarkable era of hope, bravery, perseverance, and ultimately victory. The Philippines, 1941 - Tess Abbott, an American Army nurse, has fled the hardships of the Great Depression at home for the glamour and adventure of Manila, one of the most desirable postings in the world. But everything changes when the Japanese Imperial Army invades with lightning speed and devastating results. Tess and her band of nurses serve on the front lines until they are captured as prisoners of war and held behind the high stone walls of Manila's Santo Tomas Internment Camp.
