

Curious Universe Incredible Earth

by

Curious Universe Incredible Earth

Younger kids will love discovering the wonders of the earth as they make their own earthquakes, replicate a geyser and experiment with weather!

Perfect for inquiring young minds, the activities in this kit are fun and educational, providing a strong introduction to the wonders of science. By combining the items in this kit with common household objects, the Incredible World book shows science enthusiasts how to do super-exciting experiments, simply and safely, at home.
