Evening And The Morning The

A TIME OF CONFLICT

It is 997 CE, the end of the Dark Ages, and England faces attacks from the Welsh in the west and the Vikings in the east. Life is hard, and those with power wield it harshly, bending justice according to their will - often in conflict with the king.

THREE LIVES INTERTWINED

Into this uncertain world three people come to the fore: a young boatbuilder, who dreams of a better future when a devastating Viking raid shatters the life that he and the woman he loves hoped for a Norman noblewoman, who follows her beloved husband across the sea to a new land only to find her life there shockingly different.

THE DAWN OF A NEW AGE Now, with England at the dawn of the Middle Ages, these three people will each come into dangerous conflict with a ruthless bishop.
