

## Run Run Piglet

by SCHWARTZ, BETTY

Run Run Piglet

Help piglet run through the die-cut holes back to his favorite mud puddle. Is it inside the henhouse? Or inside the barn? This innovative board book format allows young readers to literally move a character through each page of a story. A character attached to a string runs horizontally, through die-cut holes in each page, from the first page of the book to the last. A child simply has to move the character along the string, and through the die-cut holes, as they turn the pages!
