Make Your Own Manga

Draw, narrate, and create your own manga adventure with this interactive workbook featuring blank fill-in panels so you can set up your very own comic.

What's behind those big, bright eyes? Why is the student attacking the master? What's inside that box? That's up for you to decide with Make Your Own Manga!

Featuring six fully illustrated stories from two acclaimed artists along with blank template panels to create your own drawings and dialogue, Make Your Own Manga will inspire you to inject your own imagination into the storyline of each manga comic. Now you can create your own heroes and villains, heartbreaks and desires instead of just reading about them on the page. All you need is a healthy imagination to complete the manga within these pages. The power to create is in your hands!
